### Business Interview

The name of my business is

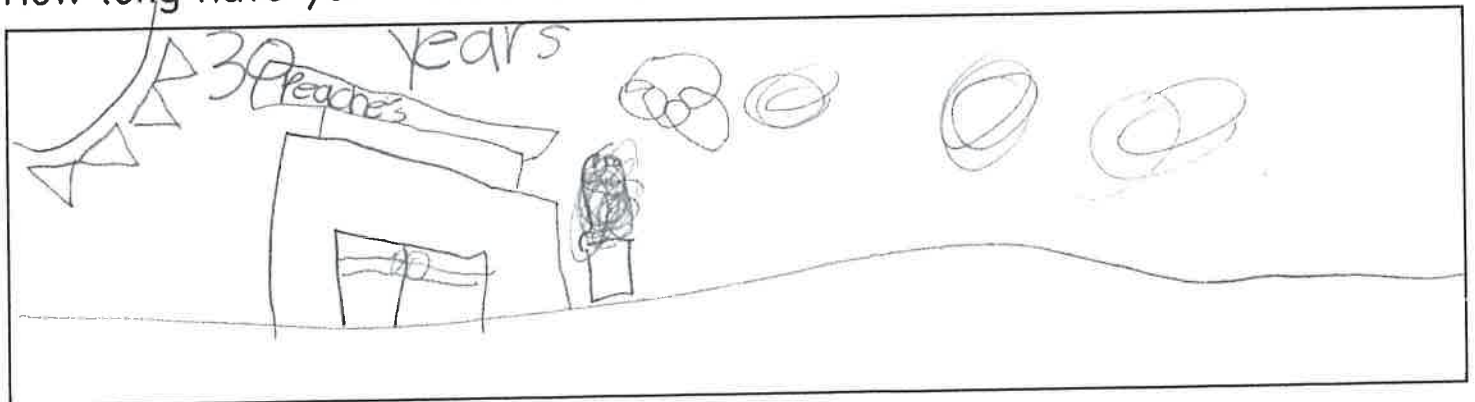

Peaches

What does your business do?

We provide restaurant and catering services - we serve fresh food - in this restaurant we have Caribbean, and fusion of Caribbean and American - family restaurant where children and parents can have anything that they like - a wide variety of food on the menu - ★

How long have you been in business?

over 30 years

Why did you open your business?

I came to the US over 37 years ago - It was always my long time dream to have my own business - coming to the US I noticed that there were older people working for corporations and I knew they would be let go at a certain age because they were getting older so I decided that I want to stay working for a long time and if I have my own business then no one can tell me when to leave
